

SPRING 2018 COURSE REGISTRATION

Please complete this form and return it to Pam Marlin by **Thursday, November 9**.

- If you have not yet formed a supervisory committee, you **MUST** submit your proposed schedule to the graduate coordinator before your registration can be approved. First-year students should discuss their schedules with their faculty mentors first. The form may be left in Dr. Zhang's mailbox. He will contact you should a discussion of your schedule be necessary.
- If you have formed a supervisory committee and have also passed the qualifying exam, you **DO NOT** need an appointment with the graduate coordinator; completion of this form should be sufficient. However, in lieu of a meeting with the graduate coordinator, you must discuss your Spring 2018 registration with the chair of your supervisory committee and indicate that you have done so by checking the box marked 'I have discussed my SPRING 2018 registration with the chair of my supervisory committee'. **Your supervisor should also sign at the bottom of the form.**
