FTE EQUIVALENTS

Prior to Fall 2005, First Year Students came in the first year at a .39 FTE (= $ on Letter of Offer) working as a TA (Teaching Assistant) or RA (Research Assistant), but this is only for the first year. TA appointments for students beyond their first year are at .33 FTE level, but additional sections can be requested. Please note that not all requests for additional sections can be met.

In some cases, partial RA appointments may be possible from your advisor, and this arrangement may bring your .33 FTE TA appointment to the .39 FTE level. In some cases, students may wish to receive a TA appointment less than a .33 FTE. These requests can be made but reasons must be given. Please note that not all requests for reduced sections can be met. You must have at least a .25 FTE to get a tuition waiver. So if you have a combined TA/RA appointment, then one or the other has to be at least a .25 FTE.

For students entering in Fall 2005 or later, the standard appointment is 0.33 FTE (= $ on Letter of Offer) working as a TA. The standard RA rate is 0.39 FTE.
