

CCMS Undergraduate Fellowships

We anticipate that CCMS will again offer Undergraduate Fellowships in 2015-2016. These fellowships may be awarded to undergraduate students who are presently enrolled at UF and are working with a member of the CCMS on a project related to the research focus of the Center. The funds may be used to support student research activity through hourly pay, laboratory supplies, professional travel, or any other appropriate research purpose. The fellowship amount is \$1000 per semester, up to a combined limit of \$2000 for the Fall 2015 and Spring 2016 semesters. Awarded funds must be expended prior to the end of the Spring 2016 semester.

CCMS faculty members may nominate students for the fellowship by submitting the following:

- a. Letter of nomination from the faculty member
- b. A one page description of the research plan or project, written by the student
- c. A brief letter of interest from the student, stating the student's GPA and major, plus any other relevant (purely optional) information

Please combine these items into a single PDF file and email it to (jhamlin@ufl.edu) before 5:00 pm on Friday September 4, 2015.
