*Note for Friday sections only: Labs canceled Friday, Nov. 10 for Veterans Day will be made up on Monday, Nov. 20, in the same classroom and during the same periods as your regular lab. See Charles Parks in NPB 1227A if you cannot attend the Monday make-up.

Experiment writeups are arranged alphabetically, in order of the two-letter codes designated in the schedule. **The order of the experiments in the manual does not necessarily follow the schedule above.**

Read the **Student Guidelines** at the front of the manual before coming to the first class meeting.

The **Laboratory Evaluation Forms** (after the Student Guidelines) can be used to let us know what you like and dislike about the course.
