

The Via Response Guide to Changing or Adding Your Clicker ID:

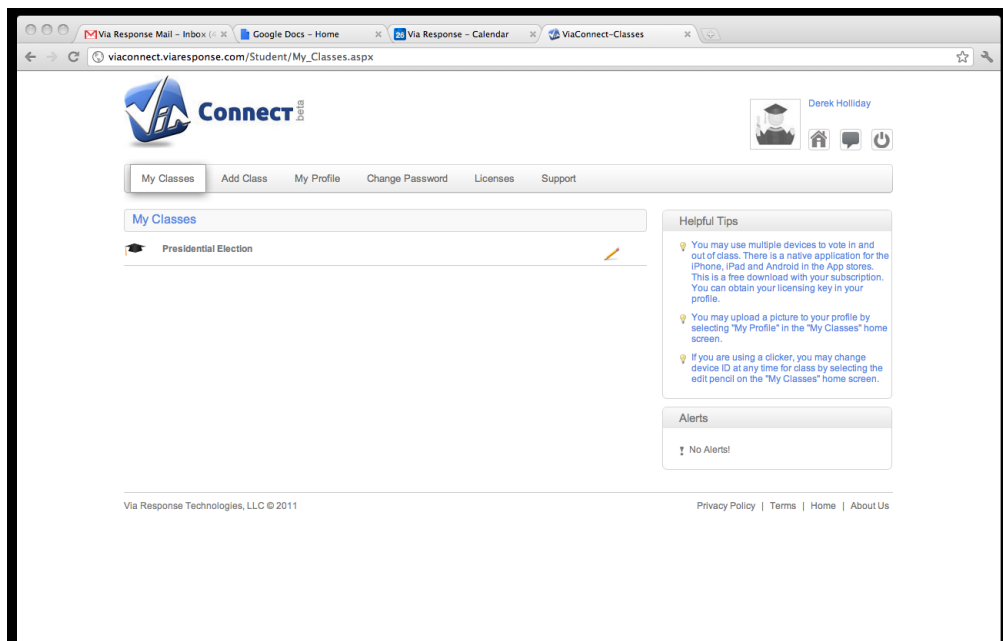

Hello, and welcome to the Via Response Guide to Changing or Adding Your Clicker ID. This will provide you with an easy step-by-step guide to changing/adding your clicker ID.

Here we go:

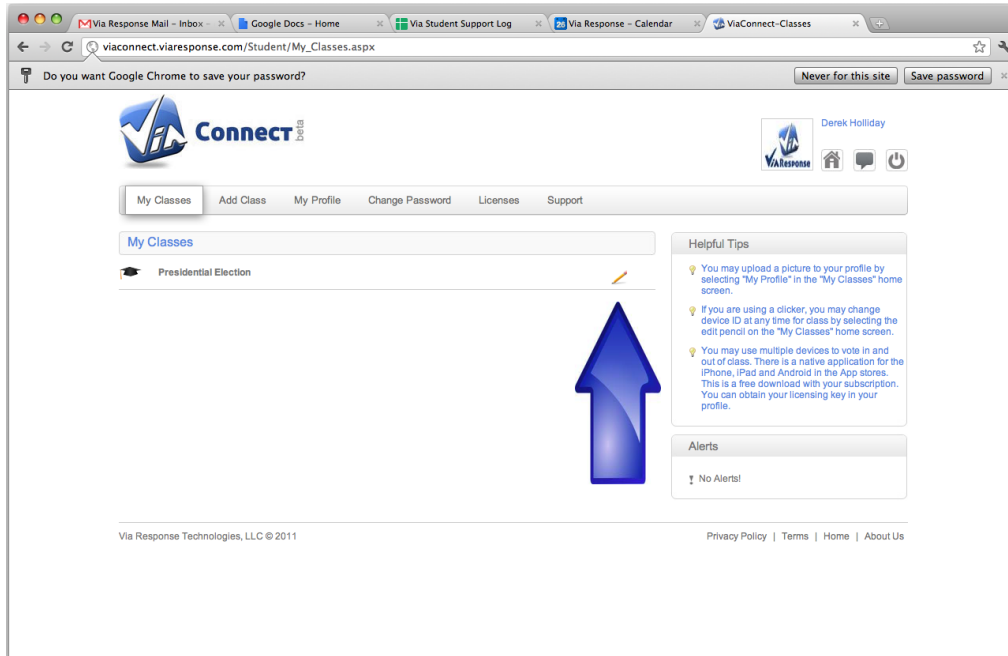

1. Open your browser and enter the URL

<http://viaconnect.viaresponse.com>

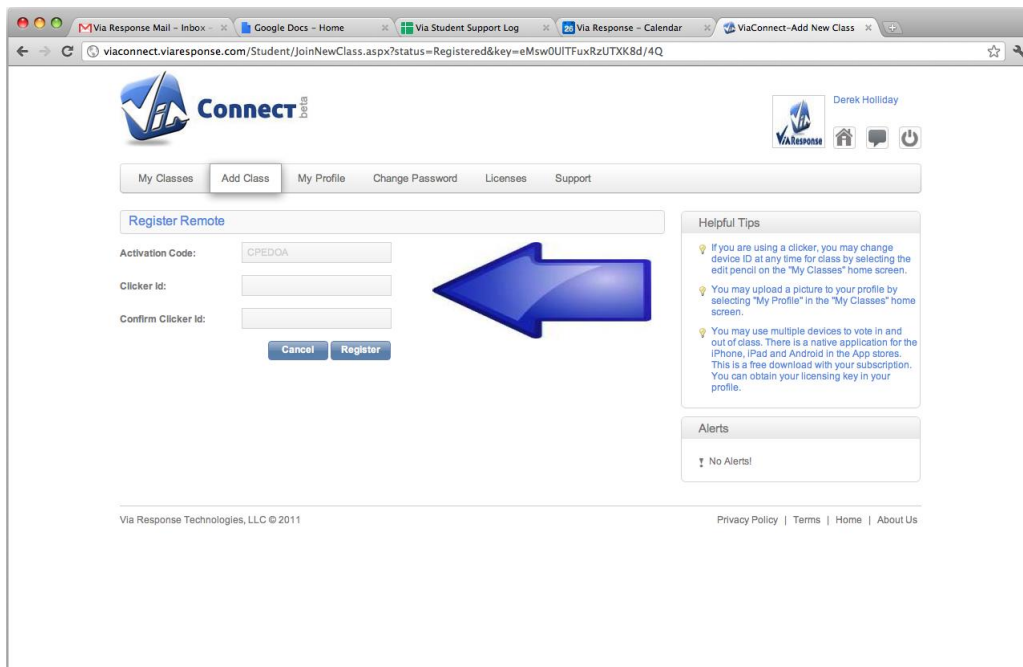

2. Log into your account.

3. Click on the small pencil icon to the right of the class you want to change/add a clicker to.

4. You may now enter your clicker ID in the blank field and confirm it in the next field.

5. When you are finished, click the “Register” button. That’s it. You’re done!

The screenshot shows a web browser window with several tabs open: "Via Response Mail - Inbox", "Google Docs - Home", "Via Student Support Log", "Via Response - Calendar", and "ViaConnect-Add New Class". The address bar shows the URL: `viaconnect.viaresponse.com/Student/JoinNewClass.aspx?status=Registered&key=eMsw0UITFuxRzUTXK8d/4Q`. The page header includes the "Connect" logo and the user name "Derek Holliday". A navigation menu contains "My Classes", "Add Class", "My Profile", "Change Password", "Licenses", and "Support". The main content area is titled "Register Remote" and contains three input fields: "Activation Code:" (with the value "CPEDGA"), "Clicker Id:", and "Confirm Clicker Id:". Below these fields are "Cancel" and "Register" buttons. A large blue arrow points to the "Register" button. To the right, there is a "Helpful Tips" section with three items and an "Alerts" section showing "No Alerts!". The footer contains "Via Response Technologies, LLC © 2011" and links for "Privacy Policy", "Terms", "Home", and "About Us".
