

UN INTERNATIONAL
DAY OF **WOMEN**
AND GIRLS IN
SCIENCE
February 11th

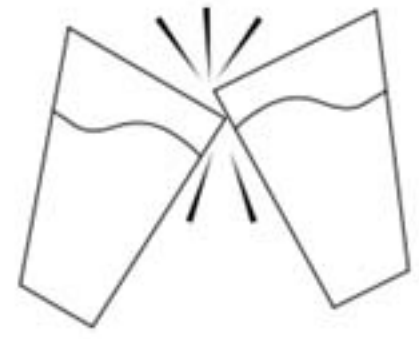

Come celebrate women in the sciences!
Events are free and open to the public
More info @ facebook.com/UFSPS

February 7th

Talk Science with Her

7:00PM, First Magnitude Brewery.

Outreach event featuring 8 UF scientists. Have a drink with women scientists from a variety of STEM fields to talk about their research and interests.

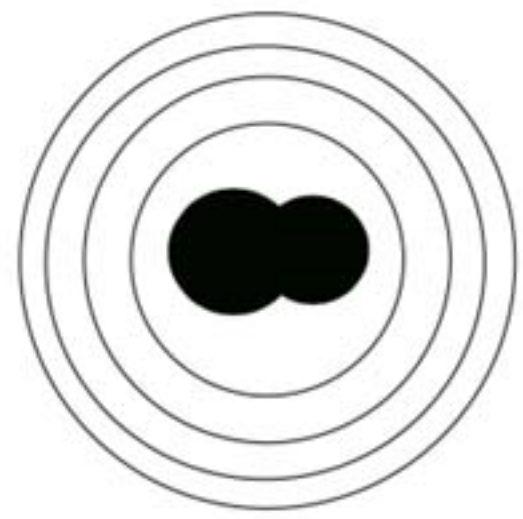

February 8th

Special Colloquium:

Gravitational Waves Astronomy

4:05PM, 1002 New Physics Building

Dr. Gabriela González, LSU, LIGO, will describe the technology involved in the LIGO gravitational wave detectors and details of the latest discoveries.

February 9th

Women in Science Day Fair

10:00AM, Depot Park

UF student clubs will be presenting kid-friendly science demos. This event is hosted by the University of Florida Society of Physics Students.

Public Astronomy Talk

3:30PM, Alachua Library Headquarters

Dr. Gabriela González, LSU, LIGO, will be giving a talk on "Einstein, Gravitational Waves, Black Holes, and Other Matters".
