RHH/rwb
A competitively bid state contract for rental vehicles has been awarded to Avis Rent A Car System, Inc. for the period January 1, 1999 and renewed to December 31, 2003.

The purpose of this contract is to provide maximum economies in the rental of automobiles for official state business. The contract also conserves energy by requiring employees to use compact class vehicles when practical. Therefore, all rentals of automobiles by state agencies are to be made under the terms, prices, and conditions of this contract, which are outlined in the enclosure.

Agencies should review rental vehicle use to help ensure compliance with the policy that class 2(B), compact vehicles, be used except when the number of passengers or the amount of materials to be transported make use of a compact class of vehicle impractical. To assure that class B, compact vehicles are reserved, they should be requested by vehicle class rather than by vehicle make and model.

The legislative or judicial branch, any county, county board of public instruction, private non-profit educational facilities as defined in Section 240.065, Florida Statutes, municipal or other local public agency or authority of the State of Florida may, if they so elect, rent automobiles under the terms, price, and conditions of this contract.

Any questions concerning this contract or problems experienced should be directed to the Department of Management Services, Division of Motor Pool, Bureau of Motor Vehicles and Watercraft Management, telephone (850) 488-4290 or Suncom 278-4290 or FAX (850) 922-6194.

*See Section 22 for further information on New York Metro area restrictions.

2. Special Rates

3. Reimbursement for Fuel Purchased

Rental rates for all classes of vehicles rented and returned in Florida include gasoline, paid for by the mileage charge listed in Section 22. It is not necessary to refuel the vehicle prior to return. To obtain reimbursement for fuel purchased for the rental vehicles provided by the vendor it will be necessary to retain and turn-in original receipts for fuel purchases to the vendor's rental counter at the time the vehicle is returned. The company will make cash reimbursements to the renter for all fuel purchased if the receipts are turned in at the counter at the time of return. For reimbursements after the time of return please contact Account Service Representative listed in Section 19. Out of state rental rates DO NOT include gasoline therefore no cash reimbursements are made by Avis Rent A Car for fuel purchased for out-of-state rentals.

(REV 06 DEC 01)

4. Drop-off Charge

No drop-off charges in Florida between cities where vendor has rental locations. Drop-off charges do apply to out-of-state rentals, when a rental occurs in one city and is dropped in another. Out-of-state drop-off charges will vary based on location.

5. Insurance Coverage

Primary insurance coverage is provided in the following amounts: $100,000/$300,000 bodily injury and $50,000 property damage insurance. Vendor assumes all fire, accident, and collision losses. Collision damage is assumed by the vendor and payment of the daily CDW, Collision Damage Waiver, or LDW, Loss Damage Waiver, fee is not authorized. All drivers must have a valid driver's license.

NOTE: The rental vehicle contract includes an insurance override agreement that covers licensed drivers, other than the individual that rented the vehicle, that use the vehicle with the permission of the
renter with all insurance and benefits provided under the rental agreement. Renter must pick up vehicle. This coverage is provided business associates, spouse, and children above the age of 18 that are living at home. Many rental agreements do not provide full insurance coverage if other than the renter is operating the vehicle.

6. Reporting Accidents

The rental contract includes 100% coverage for all collision damage to vehicles when renting for business purposes. Promptly report all vehicle accidents to the corresponding police department and the vendor.

(RREV 06 DEC 01)

7. Methods of Payment

State issued Diner's Club, Master Card, Visa, American Express credit cards, State of Florida Purchasing Card, Avis Central Billing Credit Cards and Avis Company Travel Order (ACTO) provided by Avis Rent A Car are acceptable methods of payment that will insure that the state rates will be received. Purchase Order use with Direct Billing will be accepted if pre-approved through one of the Account Representatives listed in Section 19. Purchase orders are not accepted without prior arrangements with Avis Rent A Car. To obtain Avis Central Billing Credit Cards or Avis Company Travel Order (ACTO), contact your Finance and Accounting office or one the Avis Account Representatives listed in Section 19. See Section 14 for applicable taxes.

(RREV 06 DEC 01)

NOTE: Prior to entering into credit card agreements, state agencies must obtain approval from the Department of Banking and Finance, Bureau of Auditing.

8. Parking Violations

Parking violations are the responsibility of the renter. Avis Rent A Car and the State of Florida are not liable. The renter will be reported or contacted for unpaid violations.

9. Contract Period

The rental contract will be effective from January 1, 1999 to December 31, 2002.

10. Reservations

Reservations for vehicles should be made as soon as travel plans are known. Reservations must be made by calling the toll free number listed below or your travel agent. Request State of Florida contract rates, AWD NO. A113400. Written confirmation of reservations is available on request. It is recommended that written confirmation be requested for all rentals. Reference the AWD NO. listed below to assure the state rental rate is received.

NOTE: The Compact (Class B) rental rate is not guaranteed without a confirmed car reservation for a compact class rental vehicle.

AVIS - 1-800-338-8211 or your travel agent

AVIS AWD NO. - A113400
11. **Energy Conservation**

State employees are required to use Compact Class B (Avis Class CDAR) vehicles except when the number of passengers or the volume of materials to be transported make use of a Compact Class vehicle impractical. To assure you receive the proper class vehicle, request rental vehicles by vehicle rental class and not by vehicle make or model. Rental vehicle classes are listed in Section 22. If a Compact Class (CDAR) vehicle is not available a larger class may be rented. Do not rent from another vendor unless a compact class vehicle is more economical including CDW or LDW insurance, primary insurance coverage, and fuel than renting a larger class vehicle from Avis. See Section 12.

12. **Use of Rental Vehicles Provided by Other Companies**

This contract does not prohibit the use of rental vehicles that have lower net rates including primary insurance coverage, payment of the collision damage waiver fee, cost of fuel, when the contract vendor cannot provide vehicles, or when due to travel time or distance to contractor's rental location it is not cost effective and/or practical to use vehicles provided by contractor.

**NOTE:** Purchase collision damage insurance, if a vehicle is rented from other than Avis Rent A Car.

**NOTE:** Under terms of this contract, a vehicle provided by Budget Rent-A-Car can be used only when the contract vendor cannot provide a vehicle.

Vehicles provided by other companies must include primary insurance coverage. Inquire prior to rental to verify that primary insurance coverage is provided. All major rental companies provide primary insurance coverage, but many small companies provide secondary coverage and the renter's personal vehicle insurance coverage is primary.

13. **Completion of Travel Expense Voucher When Rental Cars Provided by Other Companies Are Used**

The Comptroller's Office requires if other than a contract rental vehicle is used one of the two following statements must appear on the State of Florida Voucher for Reimbursement of Travel Expenses: "Vehicle with lower net rate rented" or "Vehicle not available from contract vendor".

14. **Taxes**

Out-of-state rentals will have tax charges. Only in-state rentals that are billed directly to the agency by use of an Avis Credit Card, Avis issued Avis Company Travel Order (ACTO), State of Florida Purchasing Card, or pre-approved Direct Billing using a Purchase Order are tax exempt. Sales taxes and the $2.00 per day surcharge will apply to all rentals not billed directly to the agency by Avis or a credit card company. When payment is made by the employee by use of personal funds, including cash, checks, or credit cards, and the employee is subsequently reimbursed by the governmental organization the rental is taxable, and sales taxes and the $2.00 surcharge will apply. Note - see Section 23 for additional information on taxes.

(REV 06 DEC 01)
15. **Personal Accident Insurance (PAI)**

State employees are not authorized to secure this coverage at state expense but may secure the coverage by personally making payment at the time of rental. The Department of Insurance does not recommend purchase of this coverage because it is very expensive for the coverage provided.

16. **Trip Length**

The contract is primarily designed to provide low cost transportation on trips which originate at airport locations and which have an average length of approximately 130 miles per day. However, the contract may be used for statewide travel with no restriction on the miles traveled per day.

**The following additional per mile charges will apply to all in-state usage over 200 miles per day.**

23. RENTAL VEHICLE CONTRACT TAXES

The Department of Revenue has ruled that under the provisions of Section 212.08(6), Florida Statutes, rental vehicle use not paid directly by a governmental organization is taxable.

The Department of Revenue stated that exemption from sales tax and use tax is not available for any taxable transaction when payment is made by the employee by use of personal funds, including cash, checks, or credit cards, even though the employee is subsequently reimbursed by the governmental organization.

Based on this information, sales tax and the $2.00 per day surcharge on rental vehicles will apply to all rentals that are not billed directly to the using agency.

Only in-state rentals that are billed directly to the agency by use of an Avis Credit Card, Avis issued Company Travel Order (ACTO), State of Florida Purchasing Card, pre approved Direct Bills using Purchase Orders, are tax exempt.

(REV 06 DEC 01)

To obtain Avis Rent a Car Credit Cards, Avis Company Travel Order, set up Direct Bills using Purchase Orders, or information on billing formats contact any of the Avis Account Representatives listed in Section 19.
