Have you ever wished to visualize complex 3D images simultaneously with your colleagues? If so, mark your calendars, tell your colleagues, and come see Scientific Visualization Solutions, featuring an SGI Onyx2 Infinite Reality and Fakespace ImmersaDesk. Experience how immersive technology can make you more effective and efficient in your research projects.

Topics and demonstrations will include:
- SGI Onyx2 Infinite Reality: Feel the Power
- Fakespace ImmersaDesk: Bring your 3D Models to Life
- SGI Professional Services: Making the Move to Immersive Technology
